

Pricing Guide - Chris Lloyd Painting

Edmonton & surrounding area, residential repaint estimates

Rate Table

Painting labour rate (\$/hr)	\$55.00/hr
Interior wall coverage (sq-ft/hour rolled)	150
Cut-in time per room (hours)	1.5
Baseline prep per room (hours)	2.5
Drywall repair per patch/pop (hours)	0.25
9-ft ceiling slowdown factor	1.3x
Exterior siding coverage (sq-ft/hour)	100
Paint cost, interior wall (\$/gallon)	75
Paint coverage per gallon (sq-ft, per coat)	350
Standard coat count	2

Worked Examples (1 room, 12x14 ft, 2 coats)

Interior, 8-ft ceilings	6.8 h labour + \$178.29 paint = \$496-\$633
Interior, 9-ft ceilings (slowdown applies)	9.3 h labour + \$200.57 paint = \$639-\$816
Exterior, 1000 sq-ft siding	20.0 h labour + \$514.29 paint = \$1,453-\$1,856

Notes: quotes also include tape/masking and site cleanup; exterior work is weather-window dependent and excludes scaffolding. Paint pricing assumes \$75/gallon at 350 sq-ft per coat; exterior paint carries a 1.2x premium (\$85.50 over interior at 1000 sq-ft). Final numbers depend on room count, size, height, and repairs - see the site estimator.
